It's really simple my friends.

If 10% of our followers visited TheDCPatriot.com once per day, we would be fully funded.

Please visit daily and share an article or two :)

A massive 200 Billion Dollar Sea Wall, built around New York to protect it from rare storms, is a costly, foolish & environmentally unfriendly idea that, when needed, probably won't work anyway. It will also look terrible. Sorry, you'll just have to get your mops & buckets ready!

Nancy Pelosi is attacking Facebook because she doesn't think they're being fair to Democrats..

So basically they want a total State Ran Media where only liberal view points are shared. Facebook is already EXTREMELY BIASED against Conservatives, as is Twitter and others.

This Grandfather on the cruise should be tried for murder.. This is despicable the new evidence that's coming out in this case.. Held the child out the window for 34 seconds before dropping the child..

Looks like the Cruise Line was correct in this.. Sickening..

I think the grandfather accidentally dropped the child and can not admit it was his fault so he has to blame someone. However it is not the cruise lines fault that the grandfather was careless. It makes me so sad that it happened at all.

You can see him leaning way out of the window before picking up his granddaughter and holding her out of it. Stupid old man. And they have the nerve to blame the ship. The only reason he went to that particular window out of all the thousands of windows was because it was open

I'm still shaking my head at the reaction of Northam and Virginia Democrats..

You literally have tens of thousands of armed citizens protesting in your capital. They're exercising their rights per the United States Constitution. They have caused no problems, this is AMERICA!

If you strip naked & run around in a circle at the speed of the speed of light, it would theoretically be possible for you to screw yourself.

However, since you're not physically capable of achieving that speed, you can accomplish the same by voting Democrat in November...

Isn't it amazing how Fox News has BARELY covered the Virginia 2A Rally which has tens of thousands of Americans in the streets voicing for our constitutional rights.

The only coverage they have is of the Governor declaring a State of Emergency

Leftist propaganda artists in the media are smearing the 2A protesters in Virginia as "White Supremacists" and "Neo Nazis"

That is a malicious lie

Don't let them get away with it.

The only racist in Richmond is the Democrat Governor

Let this be your reminder that only 40% of Virginians voted in the 2019 general election,

which allowed democrats to take over our legislature

I'm glad to hear all of these voices demonstrating for our gun rights, but you must vote

However All Democrats Combined Raised $500 Million...

As they start dropping out, this is going to get interesting.

We have to step up & back our President. If you can't donate, get out & campaign. It's time to do work!

It's 22 degrees in Richmond, VA today, so many protesters are wearing face masks so they don't freeze. Don't let the media push the "masked terrorist" angle on you. 22 degrees with a neck warmer is much different than 60 degrees in Portland, Oregon with a black antifa mask.

So the President of the United States was DENIED Witnesses in a completely Partisan stunt in the House Impeachment Sham, and now they want to DEMAND witnesses in the Senate..

Many believe that by the Senate giving credence to a trial based on the no evidence, no crime, read the transcripts, "no pressure" Impeachment Hoax, rather than an outright dismissal, it gives the partisan Democrat Witch Hunt credibility that it otherwise does not have. I agree!

Did you know:

Senate Republicans included a "kill switch" in the impeachment rules that allows the Senate to completely dismiss Democrats' impeachment articles

The Democrats treated impeachment like a joke

Contrary to what the Left would like you to believe, the 2nd Amendment isn't a "license to kill."

It's an insurance policy — one that ensures the safety of yourself, your family, and the preservation of your liberties.

Defend it with everything you have.

Our Democrat governor made it incredibly difficult for law-abiding citizens to get onto Capitol Grounds to hear the speeches today, so Tina led me to the crowd on Main Street to speak to everyone still gathered out there. #VirginiaRally #2A #VALeg #VA07

The MSM told you that the #VirginiaRally pro 2A rally in Virginia was really a "white supremacist" rally that would be drought with violence. I guarantee you won't see this man on @MSNBC or on @CNN ... when a black person carries legally they ignore them!

Richmond officials have just stated that 22,000 were in attendance at the #VirginiaRally today

More than double came out to support our #2a

The Media tried to spread fear and propaganda to keep Patriots from showing up for their 2A rights in Richmond, Virginia today.

There were still over 25,000 people there, and that's according to those that like to fudge the numbers on the left. So it was probably more like 40K

Why today are they discussing allowance of witnesses at the hearing?

How about discussing why there are senators who were/are Presidential candidates not recusing themselves?

Each stating publicly that Trump was guilty. This trial is already bs.

A lot of irony to Adam Schiff chiding Senators that they should be impartial & then telling them, beyond a shadow of a doubt, that POTUS @realDonaldTrump is NOT innocent

"Impartiality," to Democrats, is a view that the POTUS is considered guilty until he proves his innocence

It was exactly three years ago today, January 20, 2017, that I was sworn into office. So appropriate that today is also MLK Jr DAY. African American Unemployment is the LOWEST in the history of our Country, by far. Also, best Poverty, Youth, and Employment numbers, ever. Great!

Phenomenal President. Quite possibly the USA's Most certainly one of them anyway, as he sits atop the shoulders of many amazing giants that came before him. No easy feet.

You can't see her fall in the video, but you can see the guy stick his head clear out of the window and then pick up the child and hold her outside the window. Accidental drop, but not the cruise line's fault

It is imperative that our country can trust that impeachment prosecutors have all facts & that they are using those facts responsibly & truthfully.

Lead Impeachment Manager Adam Schiff cannot, under any circumstances, be trusted by the American people

And if you corrupt SOB's do...

What you saw in Virginia on Monday, you can take that and multiply it by 1,000...

You don't win this, no matter how you try to lay it out..

Today the Senate began impeachment trial proceedings. Just a reminder that House Democrats completely failed to produce any evidence proving that President Trump did anything wrong. Now the Senate must reject this sham for what it is: A baseless political smear.

The Democrats literally ran an Impeachment Sham from the basement, wouldn't let the President have legal representation, rebuttal, or call witnesses...

Now they want to lecture America and the Senate on what's "fair"..

How can anyone not see this as anything but Partisan BS?

Holy business. Who's watching Laura Ingram right now?

The New York Times knew all about a big story on Biden, Burisma, Obama, and info on whistleblower, but it appears they squashed the story a week after Biden came out and said he was running for President (April 2019)

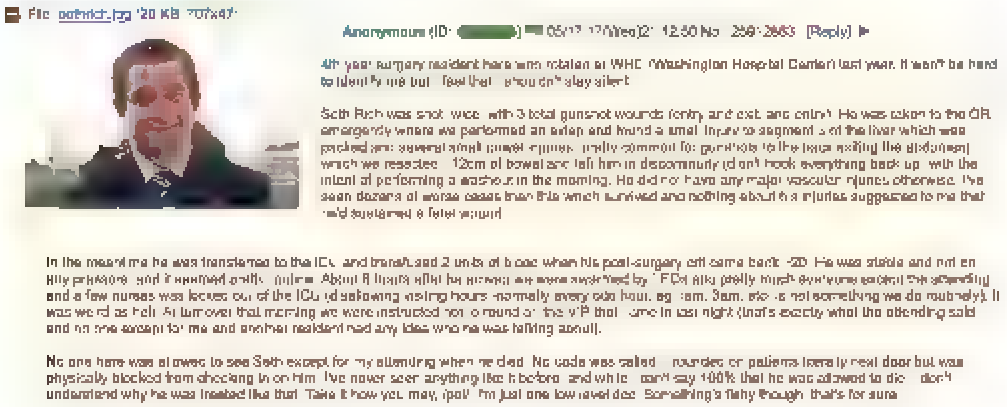
Has this 4chan story from 2017 been confirmed?

#HisNameWasSethRich



File: [illegible] (20 KB, [illegible])

Anonymous [illegible] 12:50 No. [illegible] [Reply]

4th year surgery resident here who rotated at WHC (Washington Hospital Center) last year. It won't be hard to identify me but I feel that I shouldn't stay silent.

Seth Rich was shot twice, with 3 total gunshot wounds (entry and exit, and entry). He was taken to the OR emergently where we performed an exlap and found a small injury to segment [illegible] of the liver which was packed and several small bowel injuries [illegible] which we resected [illegible] 12cm of bowel and left him in discontinuity (didn't hook everything back up) with the intent of performing a washout in the morning. He did not have any major vascular injuries otherwise. I've seen dozens of worse cases than this which survived and nothing about his injuries suggested to me that he'd sustained a fatal wound.

In the meantime he was transferred to the ICU and transfused 2 units of blood when his post-surgery crit came back [illegible]. He was stable and not on [illegible] pressors and it seemed pretty routine. About [illegible] hours after he arrived we were [illegible] by [illegible] and a few nurses was locked out of the ICU [illegible] is not something we do routinely. It was weird as hell. At turnover that morning we were instructed not to round on the VIP that came in last night (that's exactly what the attending said) and no one except for me and another resident had any idea who he was talking about.

No one here was allowed to see Seth except for my attending when he died. No code was called. [illegible] or patients literally next door but was physically blocked from checking in on him. I've never seen anything like it before, and while I can't say 100% that he was allowed to die, I don't understand why he was treated like that. Take it how you may, /pol/. I'm just one low level doc. Something's fishy though, that's for sure.

Just to clarify because there's a lot of responses with false information.

Seth was shot at 4:19 AM and it was picked up by CIC Shotspotter a GPS triangulation system that locates gunshots fired and alerts police in major metropolitan areas.

He was pronounced at 5:57AM

Ukraine got $400 Million of YOUR Taxpayer money.

The President of the United States wanted to make sure they weren't corrupt.

Now the corrupt members of our nation's government are trying to Impeach him for asking a nation to look into criminal activity and investigate it.

I don't want to burst anybody's bubble but we are already a socialist country. Just look at our tax code. Companies like GE and Amazon pay no tax. Amazon gets subsidized on every package. We don't live in a capitalist society, we live in a crony capitalist society.

Today, justice was served for the brave Americans who lost their lives in the terrorist attacks in #Benghazi. We continue to mourn the losses of Ambassador Chris Stevens, Glen Doherty, Sean Smith, and Tyrone Woods. @StateDept continues its important work around the world.

Not even 30 minutes into the TRUMP defense, and the entire Democratic Impeachment is blown away. Worthless

Days, stacked upon months and boosted by the corrupt media. Destroyed by the TRUTH
The truth that has been kept hidden from the American people.

@CNN @MSNBC

> **Chuck Woolery** @chuckwoolery
> Yes thats correct. Up to this point all everyone has heard for months is the prosecution of Trump. Now we will hear the defense starting tomorrow

There is no other way to spin it. The response today from the President's legal team has been absolutely devastating to the impeachment argument.

The Democrats' case has been thoroughly exposed.

Did anyone notice the amount of coughing during impeachment this morning. I know it had to be the dems coughing on the facts ! Someone there should keep count of the dems coughing. Every single minute that hadn't happened the last 23 hours of Schiff openings !!

Took WH lawyers just 2 hrs to gut the Dems' case like a fish & expose Schiff Pyle as the blatant liar he is in the bargain. Then they clocked out early. 23 hrs of Democrat politician BS blown away by 2 hrs of Trump-hired competence. A typical @realDonaldTrump vs. govt outcome.

Bernie is a first class fraud. Bernie's a millionaire himself so the cost of his government takeover of the healthcare system isn't really a concern to him. But to Americans who actually work for a living, the costs matter a whole lot.

Dear Secretary Esper and Acting Secretary Modly

As the Navy and FBI continue to investigate the December 6, 2019 terrorist attack at Naval Air Station Pensacola, we respectfully request serious consideration be given to bestowing the Navy Distinguished Civilian Medal with Valor to the Naval Air Station Police Officers wounded in the line of duty and the Secretary of Defense Medal of Freedom to the Escambia County Sheriff's deputies that responded to the incident. Furthermore, those service members wounded in the attack also merit the Purple Heart.

We share your sorrow for the loss of our three sailors and praise the action of others that quickly responded. Through their heroism, these sailors nobly put their own lives at risk preventing the terrorist from taking more lives. Based on the information gathered to date, and a recent statement by the Attorney General, we believe that these service members wounded and killed in this attack warrant the Purple Heart. As Attorney General Barr said on January 13, 2020, this was an act of terrorism. In accordance with [illegible], the Secretary shall consider Purple Heart eligibility of a member on active duty who was killed or wounded in an attack by a foreign terrorist organization in circumstances where the death or wound is the result [illegible] such member's status as a member of the armed forces.

The brave service members and law enforcement personnel who risked their lives on that horrible day have the admiration and respect of the American people. We encourage the Navy to honor their heroic actions by bestowing the appropriate civilian awards and the Purple Heart to those who so deserve it.

Thank you for your consideration.

Sincerely,

Marco Rubio
U.S. Senator

Rick Scott

Trump donated to both sides and we've already had this debate before 2016. He donated more to GOP than Democrat..

If you're unhappy with President Trump then you truly need to pull the stick out of your A** and realize he's doing amazing things for America!

I don't care who made this program, it was horrendous. The waste from the children has been out of control. I saw it daily. The kids on the free lunch program didn't even eat much of it, and they were the ones most in need of a meal.

As a former teacher, I saw everyday wasted food bc kids wouldn't eat it BUT it had to be on their plates! No telling how much it cost too!
But the worst were tears & frustration dealt with daily bc kids upset it was even on their plate or touching other foods!

Kobe Bryant, despite being one of the truly great basketball players of all time, was just getting started in life. He loved his family so much, and had such strong passion for the future. The loss of his beautiful daughter, Gianna, makes this moment even more devastating....

Schiff must release the IG report, without changes or tampering, which is said to be yet further exoneration of the Impeachment Hoax. He refuses to give it. Does it link him to Whistleblower? Why is he so adamant?

Folks you can make excuses all you want. But how in the blue hell do you think Kobe ever played for the Knicks. Knicks and Lakers aren't even in the same stratosphere of similarities.

It is what it is, that's all I can say. I'm tired of arguing with everyone 24/7, worn out.

The Democrats have now spent over $3 Million on the Impeachment Sham of YOUR Tax Dollars.

It's just getting started by the way also

Each Senator is getting paid $477 per day to sit through the Impeachment Sham. That's roughly $50,000 per day in salaries for Senators/day

Now keep in mind that each one of these Senators has a massive staff.... Then the Chief Justice of the Supreme Court is there with his staff... and all of the attorney's aren't doing this for free...

It's a Dumpster fire going downhill..

Pelosi, Schiff, etc., want the US citizens to believe it's only people from Mexico coming here illegally. Other countries have been crossing our borders, too. Info in government reports and online news for years preceding 2019.

Folks you can make excuses all you want.. But how in the blue hell do you think Kobe ever played for the Knicks.. Knicks and Lakers aren't even in the same stratosphere of similarities..

It is what it is.. that's all I can say.. tired of arguing with everyone 24:7, worn out..

When you're tired of the argument, perhaps it's because your argument is without merit. When I had my house fire and called 911, I couldn't get my address out. I gave my old address, then got dyslexic with the current address. She was clearly stressed over the news.

Low and behold, emails existed between none other than disgruntled FBI top brass Peter Strzok and FBI Attorney Lisa Page. What did those emails entail? Oh, just communications about Seth Rich, which of course the FBI claimed they couldn't find, didn't exist, didn't have, didn't look into, etc.

For a learning experience for Bernie bros, a unified coalition of all property owners should, at the expiration of current contracts, refrain from letting out their buildings for one year. Would be an object lesson in rental "control" when the law of supply/demand turns on them.

This certainly OUTS Roberts since NOBODY knows who the whistleblower is, except... guess. ROBERTS. Fits since Schiff pushed for Roberts to have say on witnesses, and POTUS counsel wanted nothing to do w that.

Has anyone asked John Bolton about the $115 000 that he took from Ukrainian Steel Oligarch Viktor Pinchuk's foundation just before he joined the Trump Administration as the President's National Security Adviser

Asking for a few of my friends.

They had 18 witnesses in the house. Schiff keeps saying 17 but he wants nobody to ask about the 18. ICIG Atkisson testified before the house and gave exculpatory evidence for Trump.

How can you be ignorant enough to say that when your party held secret discussions in a basement for months, didn't inform the public, and refused the President's ability to call witnesses or defend himself...

You and Rick Wilson should start a family..

What is "foreign aid?" Where does it come from? Who determines? Is it necessary? Simple, obvious questions, but are they? Impeachment w/basis in "foreign aid," but are Americans missing the bigger picture? Smoke & mirrors wasting billions!

Gloria @gmartinharp Jan 29
It's money laundering. Congress controls the money. The foreign aid gets funneled back to the politicians. This ain't rocket science. It's true Quid pro Quo. These career politicians are becoming mega wealthy.

If the senators that ran and are running for the office of President stepped down, this would be a closed case. Allowing votes of the literal opponents to the man on trial is a lot questionable and would never be allowed in any other forum, court or event of this magnitude. Sham

If the senators that ran and are running for the office of President stepped down, this would be a closed case. Allowing votes of the literal opponents to the man on trial is a lot questionable and would never be allowed in any other forum, court or event of this magnitude. Sham

We don't agree politically or have the same views on things, but I do not wish what you're going through on anyone having watched my Dad battle cancer since 2014.

My prayers to you and your family during this trying time Jerry. Turn to Christ, he is the answer.

Biden is compromised. Damaged goods. Incoherent. Angry. Demented.

Bernie is too nutty. They want nothing to do with him.

So they're left with Midget Mikey, who they're changing rules for just in case they need him.

My exact question was:

Are you aware that House intelligence committee staffer Shawn Misko had a close relationship with Eric Ciaramella while at the National Security Council together 1/2

3.0K 16K 40K

Senator Rand Paul @RandPaul · Jan 30

and are you aware and how do you respond to reports that Ciaramella and Misko may have worked together to plot impeaching the President before there were formal house impeachment proceedings. 2/2

2.6K 15K 45K

Senator Rand Paul @RandPaul · Jan 30

My question is not about a "whistleblower" as I have no independent information on his identity. My question is about the actions of known Obama partisans within the NSC and House staff and how they are reported to have conspired before impeachment proceedings had even begun

Look at the new button that Twitter has snuck in to try to influence elections... This is ridiculous... So now every time they're upset about a truthful article, they'll just report it..

Help us understand the problem. What is going on with this Tweet?

I'm not interested in this Tweet

It's suspicious or spam

It's abusive or harmful

It's misleading about a political election

Trump poll numbers are the highest since election, despite constant phony Witch Hunts. Tens of thousands of people attending rallies (which the Fake News never mentions) to see "The Greatest Show On Earth". Fun because USA is WINNING AGAIN!

> **Olivia Nuzzi** @Olivianuzzi
>
> Something you notice at Trump campaign events is, for his supporters, these are safe spaces where they can relax. They tailgate. They make new friends. The speech is largely besides the point. @RyanLizza observed their joy outside the DSM rally last night: politico.com/news/2020/01/3

Celebrating impeachment vote as a victory is exactly why we never have any real victories. It should have been 100-0 & still not a victory.

Dems spent 4 years, millions of dollars & countless TV hours lying about this scam. They'll do it for another four.

That's their victory.

After hearing the entire case presented, I believe we've heard all we need in this impeachment trial. The job of the Senate is not to make up for the lack of investigation conducted by the House. With what we have seen, it is clear witness testimony is unnecessary.

The Radical Left, Do Nothing Democrats keep chanting "fairness", when they put on the most unfair Witch Hunt in the history of the U.S. Congress. They had 17 Witnesses, we were allowed ZERO, and no lawyers. They didn't do their job, had no case. The Dems are scamming America!

None of that legacy is good, decent or even passable.

When her reign in Congress ends in 2020, she will be remembered for being one of the most crooked and corrupt politicians to ever serve.

Mitt Romney is a good friend and an excellent Senator. We have disagreed about a lot in this trial. But he has my respect for the thoughtfulness, integrity, and guts he has shown throughout this process. Utah and the Senate are lucky to have him.

Many of the ads you are watching were paid for by Mini Mike Bloomberg. He is going nowhere, just wasting his money, but he is getting the DNC to rig the election against Crazy Bernie, something they wouldn't do for @CoryBooker and others. They are doing it to Bernie again, 2016.
